

PROLOTHERAPY SUCCESS STORY

Name _____

Date: 11/17/08

Briefly describe your condition and life prior to prolotherapy:

I'd hurt my ankle in a running injury. I had a lot of pain - even walking. I tried physical therapy, it didn't help much. I tried prolo and noticed some improvement after 1st visit, much improvement after 2nd visit.

Please share any successes you've had with your condition as a result of your prolotherapy:

After approx. 2 mo. of treatments, I am back to running on my treadmill. Tomorrow, I will start running on pavement and hope to run a 1/2 marathon after the 1st of the year.
