

PROLOTHERAPY SUCCESS STORY

Name:

Date: 14 OCT 25

Briefly describe your condition and life prior to prolotherapy:

IN THE MORNINGS PARTICULARLY I WOULD HAVE TO HOLD MY SELF UP W/ ONE ARM AS I WASHED MY FACE WITH THE OTHER — DUE TO THE PAIN IN MY LOWER BACK. I DO NOT HAVE TO DO THIS ANYMORE + WASHING UP IN THE MORNINGS IS AS SIMPLE AS IT SHOULD BE.

Please share any successes you've had with your condition as a result of your prolotherapy:

IN ADDITION TO THE ABOVE — MY BACK IS MUCH STRONGER. WORK THAT WOULD USUALLY LEAVE ME IN PAIN NO LONGER DOES.

THANKS DR. McDERMOTT + STAFF.
